

Mitchell Bird

Sir Roland Wilson Pat Turner scholar

Services Australia

Master of Entrepreneurship and
Innovation

The Australian National University

Key learning areas

- **Leadership:** lead initiatives that empower teams to innovate and embrace new challenges
- **Innovation:** creating forward-thinking approaches to enhance efficiency across the APS.
- **Strategic management:** leveraging strategic frameworks to enable deliberate and informed decision-making.

**“Strategy is about focus.
Not about everything,
that everyone does.”**

Richard Rumelt

**“Creativity is seeing what others
see and thinking about what no
one else has ever thought.
I have no special talents. I am only
passionately curious.”**

- Albert Einstein

Benefits and future impact

- **Creative problem solving:** bringing innovative thinking and strategic skills to tackle complex challenges in the APS
- **Entrepreneurial leadership:** leading teams to transform opportunities into reality through entrepreneurial approaches and processes.

Personal highlights

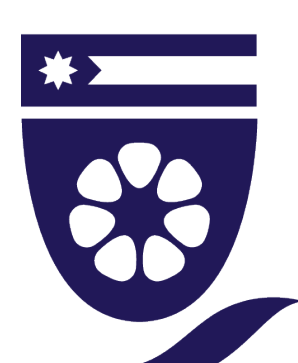

- A deeper understanding of how ‘*entrepreneurial leadership*’ and ‘*good strategy*’ can lead to positive outcomes
- New skills in strategic innovation, problem diagnosis, and guiding action to lead complex change

In five years

- Explore opportunities to improve the way the community engages with government
- Contribute to *evolving leadership capabilities to prepare for a future APS with new challenges and technologies*
- Empower and support First Nations employees to aspire to leadership roles in the APS
